Class Details

Title: Pre-K/Kindergarten

Grade/Ages: Preschool-Kindergarten; ages 4-6

Day/Time: Tuesday, 1-2:55 pm

Place: Trinity Bible Church, Room #2

Fees, Required Texts, and Supplies

Fee: \$10 per student

Weekly Snacks: Please provide your child with a snack for the day. A snack may be provided some days, so please inform the teachers of your child's known food allergies.

Supplies: The teachers will purchase most items needed for class activities. These items will include general craft supplies, game/outdoor items, and supplies for hands-on lessons. Occasionally, we send home a list of items you may already have on hand.

Class Description

Students will take part in two hours of engaging, fun, and age-appropriate learning. During the first hour, the students will participate in circle time (may include calendar, weather, weekly Bible verse memorization, show and tell, and songs), story time, letter recognition, and simple math activities. During the next hour, the students will enjoy a snack, participate in play-based activities, and have time for free-play in the classroom or on the playground.

Goals/Student Expectations

Play: Playtime is the best way children learn basic concepts and practice social skills. The majority of our day will be play-based activities and free-play to teach your child in an age-appropriate manner.

Participation: We understand that some children may be ready to jump right into the classroom setting, while others need more encouragement. We will help each child at their level and pace. Please encourage your child to get excited about class and come ready to participate! We will also expect children to respect each other and their teachers.

Pre-K/Kindergarten Reinforcement: This class is designed to support and further develop the skills your pre-K or Kindergarten student is learning at home. This class is not a replacement for a pre-K or Kindergarten curriculum.
